WATER & RAILS

Pond & Garden Railroad Tour

AUCTION ITEM DONATION REQUEST

Celebrating its fourth year, the Water & Rails Pond & Garden Railroad Tour spotlights one-of-a-kind residential garden trains and water features. The Water & Rails Pond and Garden Railroad Tour is self guided, allowing tour participants to view at their own pace the most impressive ponds and garden railroads in all of Northern Nevada.

The 2009 event will again benefit ALS of Nevada, the State's only non-profit agency providing free services exclusively to ALS patients and their families throughout Nevada. Amyotrophic lateral sclerosis (ALS), often referred to as "Lou Gehrig's disease," is a progressive neurodegenerative disease affecting brain and spinal cord nerve cells. Many adult men and women living in Northern Nevada are afflicted with ALS and funds raised this year will enable ALS of Nevada to continue services focused on sustaining quality of life for these individuals. For more information, please visit www.alsofnevada.com.

The 2009 Water & Rails Tour will be held on Friday, Saturday and Sunday, June 26, 27 and 28. With your help we expect to increase event participation and generate vital funds for this important charity.

Our goal for 2009 is to raise \$50,000 for this important charity. Event sponsorships and our very successful live and silent auctions at the VIP party are the main sources of fundraising.

We are requesting the donation of _____ to be auctioned at the June 27 VIP party. With this donation, your company will be recognized in sponsoring publications, printed event materials, and at the Water & Rails VIP party.

For more information please visit the event website at www.waterandrails.org or contact Adista at (775) 329-3041 x 125.
