

2009 WATER & RAILS

Pond & Garden Railroad Tour

February 13, 2009

Planning for the 2009 Water & Rails Pond and Garden Railroad Tour is well underway, and we certainly hope you will be participating during this unique three-day event. As you know, The Water & Rails Tour is a self-guided tour of some of the most impressive ponds and garden railroads in all of Northern Nevada. Premier sponsors against this year are MacLean Financial Group (Hawley MacLean, President) and Rail City Garden Center (Pawl Hollis). Over the past three years, this event has enjoyed local, regional and national news coverage and the Friday, Saturday and Sunday June 26, 27 and 28, 2009 Tour promises to be the best one yet!

Proceeds from the event will again benefit *ALS of Nevada* which offers free services to Lou Gehrig's Disease patients and their families throughout Nevada. Many men and women living in the Northern Nevada area are coping with the daily challenges of this progressive neurodegenerative disease that affects nerve cells in the brain and spinal cord. *ALS of Nevada* provides loaned medical equipment, respite time for caregivers, insurance and doctor coordination assistance, disease education, counseling and support group meetings. With the help of participating pond and railroad homeowners and event sponsors, *ALS of Nevada* is able to maintain a full-time locally-based patient services coordinator. Reno residents Bruce and Kathy Rector now serve on the ALS of Nevada board of directors. For more information please visit www.alsofnevada.org.

Ways to participate:

- Put your pond or railroad onto the 2009 tour (limit: 30 homes)
- Ask your place of employment to be a 2009 Tour Sponsor
- Purchase tour tickets (Two for \$25; kids 12 and under Free) by visiting www.waterandrails.org
